

7th ARCHDIOCESAN INTER-SCHOOL COMPETITIONS

LA GARA 2026

:- ORGANISED BY :-
ST. JOSEPH'S CO-ED SCHOOL
ARERA COLONY, BHOPAL

Code & Joue (Code and Play)

Date : 31st October
Reporting Time : 8:30 a.m.
Activity Time : 9:00 a.m. to 10:00 a.m.
Venue : Computer Lab (Secondary Wing)

Classes : V to VII
Theme : Design and develop an original game using the MakeCode Arcade offline application
Participant(s) : 02 (as a team)

Rules & Regulations:

- Dress Code for the event is Black trousers and white shirt.
- Both team members must be present and actively participate in the development and presentation of the game.
- The allotted time for game development is 60 minutes.
- Participants may use the assets and tools available within Make Code Arcade offline mode only. Importing pre-built games or code is strictly prohibited.
- The use of the internet, mobile phones, external storage devices, or AI tools is not permitted.
- The host school will provide the computer system with the Make Code Arcade offline application installed.
- The game must include:
 - A start / title screen
 - Player controls (movement and actions)
 - Different levels or stages
 - Scoring system or objectives
 - At least one challenge, obstacle, or enemy
 - A Game Over or Winning screen
 - Sound/music as per requirement of the game
- Participants must save the game file with the allotted team name/code as its file name.
- Each team will be given a maximum of 2 minutes to present and explain their game to the judges
- The game should demonstrate creativity, logical thinking and proper game mechanics.
- Games will be evaluated on the following criteria:
 - Effective use of MakeCode Arcade tools
 - Difficulty level
 - Creativity and originality
 - Gameplay and functionality
 - Coding logic and implementation

Code & Joue

(Code & Play)

- User interface and game design
- Theme relevance
- Presentation and explanation
- Any form of plagiarism, copying from another participant or use of external assistance will result in disqualification.
- Displaying or revealing the name, logo or any other identifying information of the participating school during the judging or demonstration of the project will result in disqualification.
- The judges' decision shall be final and abiding.
- The last date for registration is **3rd September 2026**.

Venue: Stage (Primary Wing)

Time: 12:30 p.m.

7th ARCHDIOCESAN INTER-SCHOOL COMPETITIONS

LA GARA 2026

-: ORGANISED BY :-

ST. JOSEPH'S CO-ED SCHOOL

ARERA COLONY, BHOPAL

Génération Innovante (The innovative Generation)

Date : 31st October
Reporting Time : 8:30 a.m.
Activity Time : 9:00 a.m. to 10:00 a.m.
Venue : AI Lab (Secondary Wing)

Classes : VIII to X
Theme : Develop models using Arduino, ESP32/ESP8266, microbit
Participant(s) : 03 (as a team)

Rules & Regulations:

- Dress Code for the event is Black trousers and white shirt.
- Participants must bring a fully functional working model for demonstration. The model must demonstrate the practical application of Artificial Intelligence or machine learning concept to address a real-world problem.
- Participants may select a project from the following:
 - Smart Home Automation
 - Child Safety Systems
 - Smart Agriculture
 - Environmental Monitoring
 - Healthcare and Assistive Technologies
 - Smart Transportation
 - Robotics and Automation
 - Disaster Management and Safety
 - Sustainable Development Solutions
 - Any other relevant project of the participant's choice
- Participants must bring all required hardware components, connecting wires, batteries, adapters, and laptops, required for the demonstration.
- The host school will provide electrical power through switchboards only.
- No internet facility will be provided by the host school.
- Teams will be allotted 60 minutes to arrange and setup their project.
- The model must include:
 - A clear defined problem statement.
 - A working hardware implementation.
 - Appropriate use of sensors and controllers.
 - Intelligent or automated functionality.
 - A practical and innovative solution.

Génération Innovante

(The innovative Generation)

- Models must be safe to operate and demonstrate. The use of high-voltage components, hazardous materials or unsafe electrical connections is strictly prohibited.
- Plagiarism, copied code or copied projects will result in disqualification.
- The model and presentation must not contain any offensive, inappropriate or controversial content.
- The final presentation should include:
 - Project Title
 - Team Name or Code Allotted
 - List of Components Used
 - Brief Description of the Working Model (PPT and Hardcopy)
 - Live Demonstration of the Project
- Each team will be allotted a maximum of 5 minutes for the presentation of their project/model.
- Participants must complete the setup of their model within the allotted time.
- Charts and posters may be used to support the presentation of the project.
- The organizers shall not be responsible for any loss or damage to participants' materials, equipment, or personal belongings.
- Revealing, displaying or mentioning the name, logo or any other identifying information of the participating school during the project demonstration or presentation will result in disqualification.
- Judging Criteria:
 - Innovation and creativity
 - Working functionality
 - Application of AI/smart technologies
 - Problem-solving approach
 - Presentation and explanation
 - Design and neatness
- The judges' decision shall be final and abiding.
- The last date for registration is **3rd September 2026**.

NOTE:

- ID cards shall be provided in advance to all members of each participating school and must be worn throughout the programme.
- Last minute entries are not permissible.
- Event-wise prizes will be distributed at the respective venue immediately after the event.
- The Overall Trophy will be presented during the Concluding Ceremony.
