

7th ARCHDIOCESAN INTER-SCHOOL COMPETITIONS

LA GARA 2026

:- ORGANISED BY :-
ST. JOSEPH'S CO-ED SCHOOL
ARERA COLONY, BHOPAL

The Genius Grid (Quiz)

Date : 31st October
Reporting Time : 8:30 a.m.
Activity Time : 9:00 a.m. to 11:30 a.m.
Venue : VB and VC (Primary Wing)

Classes : IV to V
Theme : Math Puzzle and Quiz
Participant(s) : A Team of 2

Rules & Regulations:

- The competition will be conducted in two rounds:
- Round 1 – Mathematics Puzzle Challenge**
 - Round 1 will consist of 10 Mathematics-based puzzle questions.
 - Participants will be given 10 minutes to complete the round.
 - The top five teams based on their scores will qualify for Round 2.
- Round 2 – Mathematics and Science Quiz**
 - Round 2 will be a quiz round for the participants who qualify from Round 1.
 - The quiz will include questions from both Mathematics and Science.
- The last date for registration is **3rd September 2026**.

NOTE:

- ID cards shall be provided in advance to all members of each participating school and must be worn throughout the programme.
- Last minute entries are not permissible.
- Event-wise prizes will be distributed at the respective venue immediately after the event.
- The Overall Trophy will be presented during the Concluding Ceremony.

ARERA COLONY, BHOPAL

Ecological Enigma (Environmental Issues)

Date : 31st October
Reporting Time : 8:30 a.m.
Activity Time : 9:00 a.m. to 11:00 a.m.
Venue : Pastoral Centre

Classes : VI to VIII
Participant(s) : A Team of 4
Volunteer(s) : 02

Rules & Regulations:

- The maximum duration of the performance is 6 minutes. A grace period of 30 seconds will be allowed only for entry and exit. Stage setup and clearance must be completed within the allotted transition time.
- Exceeding the prescribed time limit may result in deduction of marks.
- Performance Structure:
 - 1 minute : Creative introduction of the environmental issue.
 - 2 minutes : Scientific explanation of the problem.
 - 2 minutes : Innovative, practical and sustainable solutions.
 - 1 minute : Impactful conclusion with a call to action.
- The presentation may incorporate any combination of drama, dance, mime, music, poetry, storytelling, or visual art with live performances encouraged.
- Pre-recorded narration or background music may be used only to support the creative introduction and scientific explanation of the problem.
- Teams must arrange and bring their own props with eco-friendly and reusable materials strongly encouraged. Hazardous, flammable or sharp objects are strictly prohibited.
- The performances must be original and age-appropriate, with scientific facts presented accurately and proposed solutions being practical and feasible.
- Offensive, political or inappropriate content is strictly prohibited and all teams must maintain discipline and sportsmanship throughout the event.
- The judges' decision shall be final and abiding.
- The last date for registration is **3rd September 2026**.

NOTE:

- ID cards shall be provided in advance to all members of each participating school and must be worn throughout the programme.
- Last minute entries are not permissible.
- Event-wise prizes will be distributed at the respective venue immediately after the event.
- The Overall Trophy will be presented during the Concluding Ceremony.

The Math Vogue Show

Date : 31st October
Reporting Time : 8:30 a.m.
Activity Time : 9:30 a.m. to 11:30 a.m.
Venue : Block - D Roof Top (Secondary Wing)

Classes : VI to VIII
Theme : "Maths in Fashion - Wear Your Concept"
Participant(s) : A Team of 3 (1 from each class)
Volunteer(s) : 02

Rules & Regulations:

- Participants must dress up as a mathematical concept, such as shapes, numbers, formulas, graphs, mathematicians, symbols etc.
- This is a group event comprising three students - one student each from Classes VI, VII and VIII.
- Each group must present only one mathematical concept.
- Each group will be allotted 3 minutes for the complete presentation.
- The allotted time will include the ramp walk, introduction and explanation.
- Participants must walk the ramp or present their concept confidently, provide a brief and clear explanation of the concept and use simple and clear English throughout the presentation.
- Costumes should clearly represent the chosen mathematical concept, be creative and neat, and may be enhanced with charts, placards or models.
- The mathematical concept must be accurate, age-appropriate and clearly explained to demonstrate genuine understanding rather than rote memorization.
- Offensive, inappropriate or unrelated content, as well as dangerous props or materials are strictly prohibited.
- Background music is permitted, provided it does not distract from or interfere with the explanation.
- Judgement criteria:
 - Concept clarity
 - Expression and dialogue delivery
 - Creativity and originality
 - Team coordination
- The judges' decision shall be final and abiding.
- The last date for registration is **3rd September 2026**.

NOTE:

- ID cards shall be provided in advance to all members of each participating school and must be worn throughout the programme.
- Last minute entries are not permissible.
- Event-wise prizes will be distributed at the respective venue immediately after the event.
- The Overall Trophy will be presented during the Concluding Ceremony.

The Infinite Script (Mathematics Drama)

Date : 31st October
Reporting Time : 8:30 a.m.
Activity Time : 9:30 a.m. to 11:30 a.m.
Venue : Block - C Roof Top (Secondary Wing)

Classes : IX to XI
Participant(s) : A Team of 4
Volunteer(s) : 02

Objective:

To make mathematics fun, creative, and easy to understand through acting and storytelling.

Rules & Regulations:

- Themes (Choose Any One)
 - Maths in daily life (shopping, travel, budgeting)
 - Story of numbers or shapes
 - Importance of zero
 - When Maths Disappeared
 - Fun with algebra or geometry
 - Maths vs Technology
 - Journey of a famous mathematician
 - "The Argument of Shapes" – Circle vs Triangle vs Square
 - "Zero: The Hero" – Importance of zero in maths
 - "Maths in a Marketplace" – Profit, loss, discounts
 - "The Lost Formula" – Students solve clues to find a formula
 - "Maths Courtroom" – Numbers on trial
- Each team will be allotted 5 minutes for the performance.
- The performance must include dialogues and acting.
- The mathematical concept must be clearly explained through the story and must be correct and relevant.
- The performance should focus on conceptual understanding rather than rote memorisation.
- The use of humour, creativity and real-life examples is encouraged.
- Props and costumes may be used to enhance the performance.
- The performance must be delivered in simple and clear English language and content must be appropriate for the school level.
- Offensive or inappropriate content is strictly prohibited.
- Dangerous props are not permitted.
- Participants must not read directly from paper during the performance.

The Infinite Script

(Mathematics Drama)

- Exceeding the allotted time may result in deduction of marks.
- Judgement criteria :
 - Concept clarity (understanding of maths)
 - Acting and expression
 - Creativity and originality
 - Dialogue delivery
 - Team coordination
 - Time management
- The judges' decision shall be final and abiding.
- The last date for registration is **3rd September 2026**.

NOTE:

- ID cards shall be provided in advance to all members of each participating school and must be worn throughout the programme.
- Last minute entries are not permissible.
- Event-wise prizes will be distributed at the respective venue immediately after the event.
- The Overall Trophy will be presented during the Concluding Ceremony.

Ecological Echoes (Voicing Problems, Inspiring solutions)

Date : 31st October
Reporting Time : 8:30 a.m.
Activity Time : 9:30 a.m. to 11:30 a.m.
Venue : Pastoral Centre

Classes : IX to XII
Theme : Voicing Problems, Inspiring solutions
Participant(s) : A Team of 4
Volunteer(s) : 02

Rules & Regulations:

- Participating teams may choose any one of the following topics:
 - The Concrete Blanket – Urban Heat Islands
 - The Sleeping Giants – Permafrost Melting
 - The Rare Earth Race – The Toxic Truth of EV Batteries
 - The Silicon Mind – The Hidden Carbon Cost of AI
 - The Fossil Fuel Exit
- The competition integrates three distinct components into a cohesive performance.
 - Canvas Painting (The Visual Thesis):** The painting must be created live during the morning preparation period on a standard-size chart paper. Use vibrant colours to enhance the artwork. It will serve as the "Visual Thesis" displayed during the final presentation.
 - Poem / Jingle / Phrase / Quote / Idioms:** Teams must create an original piece. The writing must integrate core scientific issues alongside practical, real-world solutions.
 - Digital Presentation:** Must utilize hard statistical data, analytical graphs and logistics to clearly portray the core scientific issue and map out the scope of the problem.
- Teams must designate members for the roles of Artist, Poet and Presenters..
- The presentation must be delivered strictly in English.
- The presentation files must be emailed at least 5 days before the activity day.
- The final presentation must not exceed 4 minutes.
- All team members must be present on stage throughout the performance.
- Teams must use sustainable materials only.
- The use of plastic or flex materials is strictly prohibited.
- Teams must submit any technical or stage requirements in advance to ensure smooth execution of the performance.
- Performances will be evaluated on the following parameters:
 - Canvas Painting
 - Poem / Jingle / Phrase / Quote / Idioms
 - Digital Presentation: Evaluated on Structure & Content as well as Slide Design & Visuals.
 - Delivery & Presentation
- The judges' decision shall be final and abiding.
- The last date for registration is **3rd September 2026**.

NOTE:

- ID cards shall be provided in advance to all members of each participating school and must be worn throughout the programme.
- Last minute entries are not permissible.
- Event-wise prizes will be distributed at the respective venue immediately after the event.
- The Overall Trophy will be presented during the Concluding Ceremony.
